

D/OPA-80-221/A
27 March 1980

MEMORANDUM FOR: EA/DD/NFAC

FROM : Helene L. Boatner
Director, Political Analysis

SUBJECT : Interagency Intelligence Production

REFERENCE : Your note of 14 March 1980, same subject

Aside from noting a typographic error in line 5 of paragraph 1.c. of the draft guidelines, I would also suggest adding "Principals or" at the beginning of the last line of the last column of the chart--to make this final entry consistent with what is said in the last sentence of paragraph 1.c. of the basic text.
